

Dear Inspired Dance Families,

Evergreen Health Clinics and Inspired Dance have joined forces to offer our community a wider range of services at an affordable rate. To better help your dancer(s) AND your whole family. We are offering **Exclusively for Inspired Dance students and their families** the opportunity to try out our Foundations of Health program FREE for 30 days (*\$78 value*). This will allow you to try out a very unique program and see how we can meet your family's needs.

After testing out our Foundations of Health program, you can then choose to enroll if you find that it is a solution for your family:

\$19/mo for a single person, \$29/mo for 2 people, or \$39/mo for your whole family.

Click here to learn more about the benefits that come with your membership:

Some of the services include: unlimited access to wellness chiropractic, myofascial releases, pulsed electromagnetic therapy, school/sports physicals, and discounts on massage and herbal and ozone therapies. There is an extremely low service fee when you receive these with the membership, it is typically only \$10 to \$15.

Simply call our office to schedule an initial appointment or ask questions. Please mention that you are with Inspired Dance or show the attached card if in person. You will then get to try it out for your whole family, not just your dancer.

IF you decide to continue/enroll after the 30 day trial, you can cancel or Freeze your membership at any time.

We hope to see you soon and truly enjoy our relationship with Inspired Dance, your kids add a fun and wholesome spirit when we see them coming in for their classes.

Yours,

Evergreen Health Clinics
